

# DIANA JORDAN

CHURCH SECRETARY

My husband Brady and I were married in April of 1994 and over the next several years welcomed our three children Breann, Garrett and Lorabeth. Our oldest is married and we have one grandchild, Lilly Mae. We became members of Coffee Junction Church of God in 2012. We have enjoyed serving in many different ministries there over the years at CJCOG and love our church family. Some of the highlights being Children's Church, Sunday School, Nursery and Walk thru Nativity each December.

In July of 2013 I received the call to serve as Secretary of TVBC. It is and has been a blessing to be a part of this church family as well. We have grown to love deeply the people of Tannehill Valley. I just realized recently that like Paul in the New Testament I get to enjoy more than local body of believers in the Lord, which is just the greatest! Brady and I enjoy volunteering at TVBC with Upward Basketball each year, as well as other events as we are able and also participating with the different ministries within TVBC. In addition to being secretary, I am the Church Membership Clerk; attending the business meetings that are held each month on Wednesday evening.

I am thankful for God's gracious gift of being part of His body the church, while serving alongside a great team in ministry unto His people.
