### Week 7 Review

---

Let's review a few minutes Week 7's readings.

#### Acts 7:44-60

1. Stephen concluded his message recounting Israel's history till the building of the temple under Solomon. Stephen had their attention. In a sentence, summarize what Stephen said to the religious leaders in vs.51-53.
2. Contrast the reaction of the religious leaders and the countenance of Stephen in vs.54-55.
3. How do you explain the deep anger that led to the murder of Stephen, the first martyr in the church age that is recorded?

#### Acts 8:1-8

1. We are introduced to a young man named Saul, who would come to be known as Paul. What do you see about him in this introduction of Saul?
2. What did this persecution cause? Where did they scatter? How do you think this relates to Acts 1:8?
3. Philip is mentioned as one who went to Samaria and preached God's word with great results. What does this show us about the results of the persecution? The gospel goes forth; the religious leaders had set out to stop the spreading of the gospel. God used it to spread the gospel. What great principle of the gospel do you see here?
