

**THE BOOK OF JOHN
READING PLAN
Week 4 Review**

Our readings through week 4 were from John 5:24 thru 6:29. Let's take a few moments to review these great scriptures.

John 5:24-47

1. What are some great promises Jesus made in verses 24 through 29?
2. Verse 29 can be puzzling. Is Jesus saying salvation is by good works? If so, that would contradict other scripture. We cannot isolate this verse from what Jesus has been speaking about...belief in the Son. The good works must be speaking about the good works of faith and belief in Jesus. This faith and belief in Jesus will be made evident by our good works.
3. Verses 30-47 speak of 4 witnesses to the truth of Jesus: what are the 4?

John 6:1-29

1. Why do you think Jesus tested the disciples with the feeding of the multitude?
2. Verse 8-9: do you think Andrew was serious, sarcastic, or trying to add humor with his statement about the boy's lunch?
3. What was the purpose of 12 baskets of leftovers?
4. Jesus follows the test of feeding with another one as the disciples get on a boat. What's the purpose of these tests? What the purpose of our trials?
5. Verses 22-29: why did the crowd track Jesus down?
6. What did Jesus tell them their great need was? [v.29]
